

40 FINGERS

Crossover Guitar Quartet

More than 90 million views online!!!

"Thanks to 40 Fingers for creating this quite lovely version of Bohemian Rhapsody" - QUEEN -

Amazing repertoire of famous rock/pop songs arranged for four guitars
(from Queen to Toto, from Dire Straits to Eric Clapton, from Astor Piazzolla to the Beatles)

THE NEW WORLDWIDE CROSSOVER PHENOMENON

With more than 90 million views on Youtube and Facebook, 40 FINGERS is one of the new crossover phenomenon acclaimed all over the world. They are a fabulous guitar quartet born in 2018. Each of them with a strong musical history and a different background, 40 Fingers explore new sounds in the name of fingerpicking combined with their unique style, offering an amazing repertoire of famous rock/pop songs cleverly arranged for four guitars (from Queen to Toto, from Dire Straits to Eric Clapton, from Astor Piazzolla to the Beatles). They are able to create a unique engagement with the audience that has no borders of languages and countries. Check out the LIVE videos!
